

Public Notice

Chris Morphew has made application to the Blanco-Pedernales Groundwater Conservation District for an Operating Permit to produce 3,000,000 gallons of water annually from a well located in District Precinct 3 at 2009 Kent Hatchery Road. The water is to be used for watering livestock and wildlife, and irrigation of small wildlife food plots purposes. Parties of interest may submit written comments which must be received prior to a Board Meeting scheduled for June 23, 2011, or they may attend the meeting and provide oral comments to the Board of Directors. For information regarding party of interest qualifications, contact: BPGCD, P.O. Box 1516, Johnson City, Texas 78636 (830) 868-9196, FAX (830) 868-9196, or review the District Rules on line at www.blancocountygroundwater.org.
